KUBOTA ZERO-TURN MOWER Z122R

The ultimate residential zero turn mower combining style, comfort and performance.

Introducing the ALL-NEW Z122R with 42" deck.

Introducing the all-new Z122R with 42" deck. Maneuver in and out of intricate spaces smoothly and with ease while delivering the power you need to get the job done quickly. The Z122R offers unmatched ergonomics and comfort to keep you working efficiently all day long at a powerfully affordable price.

Z122R

COMFORT & STYLE, PLUS EASY OPERATION.

There's a lot to like about Z122R. From their comfortable ergonomic design to their style and convenience, these attractive, hardworking mowers are designed to make mowing as easy as possible.

STANDARD ROPS

For safety and peace of mind, Z122R mower is equipped with a full-height ROPS.

SMOOTH OPERATION LEVERS

Dual operation levers provide the smooth, precise control you'll need for delicate trimming and work around trees and flowerbeds.

STORAGE BOXES

For your tools, drink, and anything else too big or heavy for your pockets.

4" SLIDE SEAT

The seat slides a full 4" forward and back, letting you find just the right position for maximum personal comfort.

COMFORT / CONVENIENCE / STYLE

HIGH BACK SEAT

Soft and roomy, the high back seat will keep you comfortable even on those extra-long mowing jobs.

WIDE FOOT PAN

There's plenty of legroom up front, thanks to a wide foot pan. It also makes entry and exit a snap.

CUP HOLDERS

Keep your drink cup or tumbler always handy in the integrated cup holders.

EASY OPERATION

1/4" INCREMENT CUTTING HEIGHT ADJUSTMENT

A simple twist of a dial lets you adjust the cutting height in precise 1/4" increments.

ERGONOMIC CONTROL LAYOUT

All controls and indicators are neatly placed for quick, easy, user-friendly access.

WHEN PERFORMANCE COUNTS...

Kubota Z122R delivers. Their powerful engines, rugged transmissions and strong frames let you take on the toughest jobs with confidence and ease.

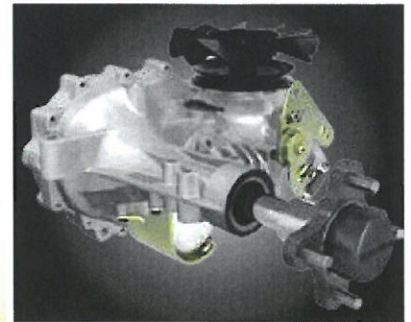

POWERFUL ENGINES

Power defines the Z122R's hardworking engines. Whatever the mowing job, you can count on the Z122R to deliver power when you need it.

RUGGED TRANSMISSION

The low-maintenance, integrated design delivers outstanding power and operational efficiency to the wheels and mower deck.

**Ultrascraper Z
Rear Tires**
Big tires mean a softer ride.

WIDE TREAD

Wide-tread tires provide better traction and weight distribution to help protect your lawn.

DEEP WELDED MOWER DECK

This steel, welded mower deck provides outstanding, professional-level cutting performance. If you're a homeowner who wants the best-this mower deck is for you.

Mowing deck with smoother airflow and more powerful rotation.

PRO COMMERCIAL MOWER DECK

To ensure superior cutting performance, even at faster speeds, our newly developed, deeper mower deck utilizes a flat design and our unique new baffling system, which forces grass through all three cutting blades. And, to meet the needs of varying job sizes, the ZD1211 mower deck is available in side and rear discharge versions.

ANTI-OVERFLOW SYSTEM

Kubota has enhanced the edges of the mower deck to reduce grass spillage and help keep lawns tidy, particularly in dry conditions.

NEW
5.5-inch Deep
Mower Deck

DUMMY

NEW Baffle DESIGN

The Z122R's new baffle design improves air flow to discharge grass clippings, optimizing cutting performance.

DUMMY

SIDE DISCHARGE MOWER

DUMMY

MULCHING MOWER

New mulching kit (option)

The professional mulching kit converts the standard deck into a high-precision mulching deck that produces an even finer mulch and sends it straight back into the turf.
